### NEW STUDIES COMING

The IELSG Board of Directors will meet during the next ASH meeting.

It is expected that the IELSG 26 study (addressing the role of PET in primary mediastinal lymphoma) and the IELSG 27 study (phase II on treatment ocular adnexa lymphoma) will be formally activated.

## LAST BUT NOT LEAST

1. We are pleased to inform you that a few weeks ago the UICC has acknowledged our efforts in the global cancer control.

2. IELSG 23 study (retrospective evaluation of primary head and neck lymphoma): it has been accepted as a poster at the ASH meeting

*We thank again all the IELSG investigators. Looking forward to seeing you all in Rome.*
