#### Registration

Registration for the meeting is free of charge and should be done **online** at the website [www.ielsg.org](http://www.ielsg.org)

**Deadline March 25, 2008**

#### Accommodation

If you plan to come – as we do hope – you should **directly get in touch with the hotel and book your own room** specifying the IELSG meeting as the reason for your stay, so that you will be charged at a **special discount price**:

CHF 175 for a single room

CHF 230 for a double room

A number of hotel rooms have been preliminarily reserved for the IELSG members but since **the end of April in Lugano is already "high season"** this reservation will expire on March 25, 2008 as well as the special discount offer. It is therefore very important that you book the room as soon as possible. Indeed, after March 25 hotel room booking will only be possible according to the availability and at full price.

#### Provisional program

Enclosed you will find the provisional program.

Looking forward to seeing you in Lugano for another fruitful meeting.
