## 4<sup>th</sup> IELSG MEETING

## ASCONA, SWITZERLAND, MAY 5- 6, 2001

Here's we are again. The 4<sup>th</sup> Ascona Meeting is coming.  
There are a few differences in comparison with the past.

- First, in order to keep the meeting in the wonderful resort of the Monte Verità in Ascona, the date has been moved from February to May.
- Second and more important, it has not been possible to keep together the clinicians' workshop and the pathologists' review session. This is mainly due to logistical problems. With Dr. Ennio Pedrinis we are trying to find an alternative schedule for the pathology session that could be done on April 26, 2001, in Locarno, as we did in the past. It will focus on a series of cutaneous B-cell NHLs.

### TRAVEL AND ACCOMODATION

Registration is free.

Regretfully the IELSG cannot cover travel expenses for the participants. Please contact your travel agent.

There is no limit in the number of participants from each institution, however the IELSG will only provide free-accomodation to all invited speakers and study-chairpersons and in addition, to 1 participant from each center.

Additional rooms are available for approximately 100 Swiss Francs per day.
